WHAT TO BRING

(On Your Cruise)

WELCOME ABOARD!

Your entire crew would like to welcome you aboard our yacht(s) for an exciting sail on the Bay!

So that you will have a most enjoyable cruise, please read the following important information:

Weather and sailing conditions can vary substantially from hour to hour, therefore, it is very important to be prepared!

Bring clothing that can be put on in layers. (And bring plenty of them!) Make sure that you have a good waterproof coat, poncho, or other protective gear. Since we will be sailing, we do occasionally take a little spray over the bow!

Sunscreen, sunglasses (with eyeglass cords), and possibly a hat are highly recommended at all times during daylight hours. Footwear should be comfortable, with light colored soles.

If the weather is a little overcast or drizzly in the morning on the day you plan to sail with us, don't worry! The weather tends to clear up in the early afternoon for a gorgeous day of sailing!

Be prepared for a great time aboard our yachts!.

Bay Lady, Sea Raven & Yukon Jack are all located at Pier 40 in the South Beach Harbor in San Francisco.

Please turn this page over for directions and a map to our location at South Beach Harbor.

There is very limited public parking on the Pier 40 lot. Please do not park in any stall labeled "permit only". Refer to parking options on the back of this flyer.

We look forward to sailing with you soon!

Footwear should be comfortable, with light colored soles. Topsiders or sneakers are ideal. No black soled or street shoes please!

Please note: Pier 40 is not located next to Pier 39. All odd numbered piers are north of the Bay Bridge. Pier 40 is south of the Bay Bridge.
